

# After School Program

## ○ Coordinating With Other Schools & Calendars

This calendar will assist parents to coordinate any extra needs they may have for their child to be transported to Gulf Meadows Daycare their respective schools.

## ○ After School Program – Special Days Off

For children currently enrolled in the After School Program (3:00 – 6:00pm), we offer services for days off and early dismissal. Please understand that it is the responsibility of the parent to notify our center at least three days in advance if these services will be needed. Gulf Meadows Child Development Center cannot be responsible for a child's transportation on days of early dismissal if the parent has not notified our director. Please contact our office for our tuition schedule.
